

FilterPage.php

This class extends the Page core class.

Default attributes are set, but may be overridden by classes extending this class.

```
$this->total_pages = 0;  
$this->page_size = 10;  
$this->current_page = 1;  
$this->total_rows = 0; --override required
```

To utilize the features of this class, the total_rows attribute is the only required override. There are no key public methods.
